Modernistic Club News Bulletin

Calling all Modernistic Club members to come to Club meeting Friday, May 26, at 6:00 p.m. I'll see you at the meeting. Let us try to make this meeting an enjoyable one. We only have one more to go.

Galilee's regular preaching service was well attended last Sunday at the 11:00 service hour. The "May Birthday Rally" was lead by Mrs. Bessie Watson.

The Galilee Baptist Church thanks principal L. A. Beamon for worshiping at the church Sunday, and especially for pinch hitting at the piano while waiting for Mr. T. Lawing and taking such an active part in the service. Come again Mr. Beamon, and help us over here in "Macedonia", to make Galilee and our community a better place in which to live. We invite other faculty members to come to Galilee. You are always welcome.

Miss H. B. Stevens, along with other members of the Lynchburg Chapter, of Delta Sigma Theta Sorority, worshipped at Jackson Street Methodist Church, in the Sunday morning service May 21, 1972. The services were informative, and inspiring. She reports a very enjoyable time, both in church and Sunday School services.

The regular bishop or pastor presented a guest speaker for the morning hour, in the person of (the) Dr. R. F. Riddick, the Director of Program Council, of Richmond, Va. He spoke beatifully, from the Theme--"Three Crisis," we all face today. He brought out in his message, three very important phases of the Theme 1. Identity - who am I? 2. Who are our neighbors and friends? What is our relationship and obligations, toward them? 3. Power - from where does it come? We try hard to find the solution to the many problems facing us today by (a) some say "Education (b) others say "Economics" (c) still others say "Religion." The speaker stated that the only real solution, to the many problems facing us today is, Christ Jesus. When one knows he has Christ in his soul, the problems of today will be solved. The message was wonderful and beautifully explained.

We are proud to learn that Mrs. Hezetine Foster received her masters degree from Va. State College Sunday, May 28, 1972. We take our hats off to Mrs. Foster, who is a teacher at Appomattox High School here in town.

In and Out of Town over the week end:
